

Folding Cartonboard

For Folding Carton Converters

INDEVCO
PACKAGING SOLUTIONS

A Sustainable Packaging Choice

 CHAIN-OF-CUSTODY CERTIFIED

 RENEWABLE

 REPULPABLE

Paperboard with Optimized Printability

INDEVCO Packaging Solutions produces Folding Cartonboard engineered specially for folding carton and formed tray converters who need a high performing product with maximum printability.

Perfect for converting into delivery take-out boxes for food service industries, our paperboard's poly coating is resistant to oil and grease and holds up against water and moisture. Sustainable coatings are available.
