Sustainable Barrier Protection for Hot & Cold Beverages

INDEVCO
PACKAGING SOLUTIONS

A Sustainable Packaging Choice

 CHAIN-OF-CUSTODY CERTIFIED

 RENEWABLE

 REPULPABLE

Recyclable, Compostable & Repulpable

INDEVCO Packaging Solutions produces Cupstock & Cup Bottom Stock Paper engineered with superior liquid barrier protection. Using quality paper and a proprietary eco-friendly coating, our cupstock is designed to maintain structure – even against spills, sweat, and condensation.

Our paperboard options are aqueous coated with a one or two-sided water-resistant barrier than can be customized for hot beverages, cold beverages, or both.
